

SID UPDATE on Levee Restoration Project August 4, 2022

PLEASE share this information with family members and guest of ALL AGES. It will take a commitment from all of us to get the best results possible.

Work continues slowly but steadily. The filter and berm sand near Noerrlinger farm is almost complete. Topsoil will be next. Vegetation is to begin sometime after Aug 10, weather dependent. Still no confirmation on when the One Pass Trenching will start. Discussions have begun related to road repair and asphalt overlays on rocked areas.

We ask everyone to remain OFF of the newly graded areas.

We ask that you keep up with the latest by visiting this website and watching for notices from the SID and HOA boards.

At this time, all traffic may continue on the entire road but we ask you to yield to truck traffic crossing the road especially up near Bull Frog Bay Dr. PLEASE slow down in this area and stop for construction vehicles and equipment.

This week KEU is working 7am-7pm Monday-Saturday. We are asking **EVERYONE to remain off of the earthen levee** and away from construction activity while workers are present. This means no bicycles, pedestrians, motorized vehicles, etc. PLEASE OBEY ALL SIGNAGE.

PLEASE NOTE:

The SID is also very concerned for the safety of the community and visitors to Waconda and for the protection and respect for the construction materials and equipment of KEU. During our preliminary discussions, the SID informed both the CORPS and KEU that we will do all we need to expedite the project and are willing to close, restrict, reroute, traffic (vehicular and pedestrian) when and where we may need to. We will keep everyone posted on any of these decisions as they are made.

There is a lot of moving parts with this project and the SID, CORPS and KEU are going to do all we can to complete this in a timely and safe manner. We all are asking for everyone's cooperation, understanding, and patience as this project progresses.

PLEASE share this information with family members and guest of ALL AGES. It will take a commitment from all of us to get the best results possible.

If you have any questions, you can contact Jim Noerrlinger, Matt Burnham, or Jon Meyers via phone or email. Contact information is on the contacts tab at www.sid1.org
